

Create a Strong Password and Evaluate Its Strength

PASSWORD	TIME TO CRACK	FEEDBACK
qwV@8YpKwtb5QCc	4 hundred trillion years	Fantastic, using that password makes you as secure as Fort Knox.
PASSWORD	0 seconds	using that password is like leaving your front door wide open. Your password is very weak because it is a common password.
P@ssword2314	2 seconds	Your password is very weak because it contains a common password.
Qwerty1234@	0.02 seconds	Your password is very weak because it contains 2 common passwords and a dictionary word.
Pas58#frTY	5 months	Good, using that password is like locking your front door and keeping the key in a safety deposit box.
Pas58#f&	10 days	using that password is like locking your front door, but leaving the key under the mat. Your password is of medium strength because it contains a common password
